

Staff CPD On-line / Webinar Workshops.

Assessment of and for Learning

Specific Webinar Content Summaries

Webinar 1

Creative Formative Assessment techniques overview.

- Differentiated questioning - styles and methods.
- Using TV and radio quiz show formats to check learning.
- Visual quizzing.
- Using a 'sports league' approach to learning consolidation quizzes.
- Speed dating.
- Technology applications for Formative Assessment.

Webinar 2

Peer and Self Assessment.

- What is Peer and Self Assessment?
- The importance of very clear assessment criteria.
- The importance of ensuring that learners:
 - understand and value why these approaches are used
 - have a good understanding of the criteria, and how this can be achieved
 - understand the importance of and how to deliver constructive feedback
- How do these approaches benefit learners?
- When to use these approaches - during or outside time?
- Using Self Assessment with formal (summative) assignment activities.

Webinar 3

Assessment for Learning essentials.

- What is AfL and how does it differ to other learning approaches?
- The five main AfL processes
- Is any learning activity an assessment for learning activity?
- What are the benefits of AfL for learners?
- Putting AfL into practice.

Webinar 4

Designing multiple choice Tests.

- What can you achieve with these tests and what can't you achieve?
- Advantages and disadvantages.
- Establishing clear objectives for the test – if the learner completes the test successfully what will this demonstrate?
- Structure of a good multiple-choice test.
- Constructing an effective stem.
- Native phrasing.
- Constructing effective alternatives.
- Considerations for testing higher-order thinking.

Webinar 5

Designing Cloze Assessments.

- What can you achieve with these tests and what can't you achieve?
- Advantages and disadvantages.
- Establishing clear objectives for the test – if the learner completes the test successfully what will this demonstrate?
- Different types of cloze assessment.
- Five steps for building a cloze assessment.
- Online cloze tests generators.
- Learner designed cloze assessments.

Webinar 6

The essentials of planning and delivering an effective Professional Discussion Assessment.

- What is a Professional Discussion and what is it designed to achieve?
- How does a PD differ from a question and answer assessment?
- What is a PD agenda and how ambitious should it be?
- How to establish a clear PD agenda with a learner.
- When and how should questioning be used in a PD?
- What is 'prompting' and is it appropriate in a PD session?
